

Production Class 2015 Information Sheet

In 2009, Adlib Young Performers launched a senior class designed to further push our students and allow them to develop their skills beyond a secondary level. Now, as we gear up for our seventh big year of this remarkable course, we look forward to a new and exciting era.

Senior Production Class includes skill development of all aspects of acting including Shakespeare. The class will present three presentations throughout the year including a workshop piece and two full productions. Applicants 13 years and over are encouraged to apply. Entry in this class is by interview/audition. You will be notified of the result of your interview/audition within 48 hours.
